

THE OFFICIAL GAZETTE

We, Abdullah the Second Ibn Al-Hussein, King of The Hashemite Kingdom of Jordan, according to Article (31) of the Constitution and on the basis of the Cabinet Resolution of 10/04/2007, we put into effect the following regulation:

Regulation No. (45) Of the year 2007

Civil Aviation Charges Regulation

Issued According to Article (86) of Civil Aviation Law No. (50) of the year 1985

Article 1:

This regulation called (Civil Aviation Charges Regulation of the year 2007) and shall enter into force from the date it is published in the Official Gazette.

Article 2:

The following words and expressions, anywhere it comes in this regulation, shall have the specified meanings as listed below, unless the context specifies otherwise:

The Authority	The Civil Aviation Authority.
The Director General	The Director General of the Authority.

Article 3:

- A-** Subject to what is mentioned in paragraph (B) of this Article, fees, charges and costs specified in this regulation are collected against carrying out any actions and services provided by the Authority as indicated in the following:
- 1- The use of Jordanian Civil Airports.
 - 2- Services and Air Navigation Facilities.
 - 3- Licenses, Authorizations, permits, certificates, adoptions, approvals and publications issued by the Authority, pursuant to the Authority Law, or any other applicable legislation, regulations or instructions.
- B-** The Authority shall not collect the fees, any charges and costs, mentioned in paragraph (A) above of this Article, if any party is authorized to utilize or operate any aviation facility, where the concluded agreement with that party stipulates that, and in that case the agreement provisions shall be applied after the Cabinet approval on it.

Article 4: Charges against the use of civil airports are set herein as the following:

A- Aircrafts Landing Charges

- 1- Subject to what is mentioned in paragraphs (2), (3), (4) and (5) of this clause, landing charges are collected as per maximum permissible take off weight for the aircraft, according to the certificate of its airworthiness, provided the collected minimum charges in any case not be less than JD 30 where it shall be per each Ton or part thereof as the following:

Description	JD	Fils
First 25 Tons of Aircraft weight	1	500
Following 75 Tons	2	250
Exceeding 100 Tons	2	550

- 2- A surcharge of (35%) prescribed in item (1) of this clause, shall be collected against every landing or takeoff during the night. Night is defined as the period between 30 minutes after sunset and 30 minutes before sunrise.
- 3- A surcharge of (10%) of charges prescribed in item (1) of this clause, shall be collected against Air traffic Control Services.
- 4- (50%) of the landing charges prescribed in item (1) of this clause, shall be collected on the following:
 - Helicopter Aircraft engaged in commercial flights.
 - Aircraft engaged in charter flights carrying tourist groups to the Kingdom.
- 5- (30%) of landing charges prescribed in item (1) of this clause shall be collected on the following:
 - Aircrafts engaged in non-commercial flights.
 - Foreign Aircraft used for training or crew test flight for the purpose of acquiring licenses or qualifications or testing of the aircraft and its equipment, subject to the prior written approval of airport director.
 - Aircrafts engaged in aerial activities for the service of the state.

B- Parking charges outside Hangers:

- 1- Subject to item (2) of this clause, parking charges shall be collected according to the maximum permissible takeoff weight of the aircraft as indicated in the certificate of its airworthiness.

- 2- The first two hours of parking charges shall be exempted, and this charge will be collected on every following hour, provided that the minimum parking charges shall not be less than JD 15 and as indicated below per each ton or part thereof per hour or part thereof as follows:

Description	JD	Fils
First 25 Tons of Aircraft weight	-	150
Following 75 Tons	-	105
Exceeding 100 Tons	-	060

- 3- In any case of submitting a request for parking for a period exceeding 72 hours, and approving it, the parking charges shall be collected according to the maximum permissible take off weight of any aircraft, as indicated in the certificate of airworthiness for period of 24 hours or part thereof as follows:

Description	JD	Fils
For Aircraft weight 5700 Kg or less	25	000
For Aircraft weight 5701 Kg and more	50	000

- 4- The prescribed charges in items (4) and (5) of clause (A) of this Article are applicable against Aircraft parking pursuant to item (2) of this clause.

C- Parking charges inside the hangers:

- 1- Parking charges inside hangers shall be collected according to the maximum permissible take off weight of any Aircraft as indicated in the certificate of its air worthiness for each (24) hours period or part thereof for each ton or part thereof as follows:

Description	JD	Fils
First 25 tons of Aircraft weight	2	550
Following 75 Tons	1	500
Exceeding 100 tons	-	750

- 2- The mentioned rules in items 4 and 5 of clause (A) of this Article are applied for aircraft parking inside hangers.
- 3- The maximum collected parking charges inside the hanger must not be less than JD 30, in any case according to item (1) of this clause.

D- Air bridge (Jet Ways) charges:

- 1- A charge for the use of air bridge for embarkation and disembarkation of passengers to and from Aircraft shall be collected on every two –hours period or part thereof as follows:

Description	JD	Fils
For Aircraft of 90 tons weight or more	60	000
For Aircraft of less than 90 Tons weight.	40	000

- 2- The Director General of Civil Aviation Authority is authorized to extend the specified period in item (1) of this clause for (30) minutes without any surcharges.

- E- 50% of the due charges are collected according to clauses (A), (B), (C) and (D) of this Article, except what is stipulated in items (4) and (5) of clause (A) and item (3) of clause (B) of this Article for aircrafts operating to King Hussein International Airport.
- F- Fees or any charges for using civil airports by aviation academies, institutions and aviation schools are determined by the instructions issued by the Minister of Transport according to recommendations of the Director General.

Article 5:

- A- Passenger transit services fee of JDs 3.5 against each passenger are collected.
- B- The specified fee of clause (A) of this Article is paid directly by airline companies, according to the instructions, issued by the Director General of Civil Aviation.

Article 6:

A fuel fee of (1%) of the total claimed amount of money, issued by the supplying company inside the airport, where this fee is collected directly from the company, in accordance with instructions issued by the Director General.

Article 7:

Fees against licenses, tests, authorizations, certificates, adoptions, and approvals issued by the authority are determined according to the following:

A- License fees:

Type of fees	JDs	
	For Jordanian	For Non-Jordanian
Issuance of a student pilot license	20	40
Issuance of a private pilot license	40	60
Renewal of a private pilot license.	20	30
Issuance of a commercial pilot license.	70	100
Renewal of a commercial pilot license.	35	50
Issuance of air transport pilot license (ATPL)	120	180
Renewal of air transport pilot license (ATPL)	50	75
Issuance of certified flight instructor (CFI)	75	120
Renewal of certified flight instructor (CFI)	50	75
Issuance of a flight engineer license.	75	120
Renewal of a flight engineer license	50	75
Issuance of aircraft maintenance mechanic airframe or power plant rating.	50	100
Renewal of aircraft maintenance mechanic airframe or power plant rating.	25	50
Issuance of equipment maintenance technician license.	40	80
Renewal of equipment maintenance technician license.	20	40
Issuance of inspection authorization license.	70	120
Renewal of inspection authorization license.	35	60
Issuance of air operations officer license (Dispatcher)	40	80
Renewal of air operations officer license (Dispatcher)	20	40
Issuance of ground instructor license.	50	100
Renewal of ground instructor license.	25	50
Issuance of air traffic controller license of any rating	30	50
Issuance of air- navigation technician license	30	50
Renewal of air traffic controller or air- navigation technician license	15	25
Issuance of parachute rigger license.	20	50
Renewal of parachute rigger license.	10	25
Issuance of parachute jumper license.	25	50
Renewal of parachute jumper license.	10	25
Issuance of parachute jumper trainer license	25	50
Renewal of parachute jumper trainer license.	10	25
Issuance of any temporary license.	25	50
Issuance of a flight crew membership license instructor.	20	40
Renewal of a flight crew membership license instructor.	15	25
Issuance of foreign certificate validation license.	50	100
Issuance of Aircraft radio operation permit	20	40
Any amendment to any license	5	10

Type of fees	JDs	
	For Jordanian	For Non-Jordanian
Issuance of flight attendance certificate.	25	50
Renewal of flight attendance certificate.	15	25
Adding any rating to any pilot license.	25	50
Adding instrument rating to pilot certificate.	25	50
Issuance of replacement for any lost license	30	50
Issuance of replacement for any destroyed license	20	40
Issuance of any other license not mentioned in this paragraph	25	50
Renewal of any other license, not mentioned in this paragraph	15	30

B- Tests fees:

Type of fees	JDs	
	For Jordanian	For Non-Jordanian
Written test for any rating	20	30
Repeating of a written test for all kinds of specialties	15	25
A request for changing the date of a written test	5	10
Pilot oral test	35	50
Repeating of the pilot oral test	25	35
Practical test for pilots/ Aircraft weight less than 10 tons.	4	80
Repeating practical test for pilots/ Aircraft weight less than 10 tons.	25	50
Practical test for pilots/ Aircraft weight from 10-50 tons.	75	150
Repeating Practical test for pilots/ Aircraft weight from 10-50 tons.	50	75
A practical pilot test/ aircraft of a weight more than 50 tons.	120	200
Repeating of practical pilot test/ aircraft of a weight more than 50 tons.	75	150
Practical test for pilots on small aircraft simulator.	30	70
Repeating practical test for pilots on small aircraft simulator.	20	40
Practical test for pilots on large aircraft simulator.	60	140
Repeating practical test for pilots on large aircraft simulator	35	90
Oral test for all technical ratings.	15	30
Repeating the oral test for all technical ratings.	10	20
The practical test for all technical ratings.	20	40
Repeating the practical test for all technical ratings	10	20
Licensing or license renewal for airport maintenance and airport operation workers.	50	75
Issuance or renewal of aviation security officer license.	30	50
Issuance of designated examiner for any rating.	JDs30 monthly or JDs250 yearly.	

C- Licensing charges and flight safety services:

Type of fees	JDs
Study and assessment of application for scheduled or un-scheduled air carrier or air cargo.	30000
Issuance or renewal of air operator certificate (20 passengers or more) including periodical audits and surveillance.	150000
Issuance or renewal of un-scheduled air operator certificate (20 passengers or more) including periodical audits and surveillance.	100000
Issuance or renewal of an air operator license for aircraft operator of less than (20) passengers capacity or helicopter, including the periodical inspection and surveillance.	40000
Issuance or renewal of an air cargo carrier	40000
Application study and assessment for aircraft maintenance station license.	25000
Issuance or renewal of aircraft maintenance station certificate, including the periodical inspection and follow-up.	10000
Issuance or renewal of each rating license of airframe or powerplant ratings for aircraft maintenance stations for large aircrafts of a weight (15 tons) or more.	25000
Issuance or renewal of each rating license of airframe or powerplant ratings for aircraft maintenance stations for large aircrafts of a weight less than (15 tons).	5000
Issuance or renewal of one rating license from the rest of the ratings for maintenance stations.	5000
Application and assessment the license for an aviation academy or school.	30000
Issuance or renewal of pilot school or academy license, including the periodical inspection and surveillance.	10000
Issuance or renewal of one rating for pilot school or academy.	10000
Study and assessment of application for aviation maintenance school or academy.	30000
Certification or renewal of aircraft maintenance technical school for each airframe or powerplant rating.	10000

Type of fees	JDs
Licensing or renewal of one rating of airframe or powerplant of aircraft maintenance technician school or academy.	10000
Issuance or renewal of one rating license from the rest of the ratings of aircraft maintenance technician school or academy.	5000
Issuance of an aircraft registration certificate.	JD 1000 in addition to JD 50 against each ton weight or part thereof, of the maximum permissible takeoff weight (MTOW).
Change or ownership (Registration).	100
Changing the site of an airline company operations, an aviation school or aircraft maintenance station.	10000
Issuance of a special flight permit to an aircraft.	1000
Issuance or renewal of aircraft airworthiness certificate	3000 in addition to 100 against each ton or part thereof of the maximum permissible take off weight (MTOW).
Approval of aircraft lease agreement.	5% of the realized charges for each month or part thereof, according to the previous item concerning issuing aircraft air-worthiness certificate.
The technical surveillance for authorizing an air route.	1000
Issuance or renewal a license for an aircraft simulator.	5000
Licensing or renewal of a specialized pilot training center.	5000
Issuing or renewal of a certificate to transport dangerous goods for airfreight agents.	5000
Issuance or renewal of a certificate of transporting non-dangerous goods for airfreight agents license.	500
Licensing or renewal of an aircraft factory license.	25000
Issuance of acceptance certificate to manufacture an aircraft	5000
Issuance of certificate for authorizing aircraft production license.	10000
Issuing or renewal of an aircraft design organization or part thereof.	15000
Issuance or renewal of a foreign production organization certificate.	5000

Type of fees	JDs
Issuing an aircraft production certificate license.	15000
Alteration of an aircraft production certificate license.	3000
Major repairs, alteration or technical standard order on an aircraft.	1000
Approval or renewal of aircraft production or repair stations.	2000
Reliability program approval.	2000
Approval or acceptance of MP, AFM, MEL, MAINT, PPM, OPS-PPM. Or any other manual.	300
Ground handling, service agents certification renewal escalation of maintenance program.	5000
Approval of expanding of aircraft maintenance program.	500
Issuance of an export certificate of airworthiness.	25 against each ton or part of thereof, the maximum takeoff weight of the aircraft (MTOW).
Issuance of noise certificate for an aircraft.	250
Issuance of deregistration certificate for an aircraft.	250

D- Airport certification fees:

Type of fees	JDs
Airport Certification application and assessment.	8000
Issuance or renewal of Airport Operating Certificate for Airport with one runway.	15000
Issuance or renewal of Airport Operating Certificate for Airport with two runways or more.	25000
Heliport Certificate application and assessment.	1000
Issuance or renewal of Heliport Operating Certificate.	2000

E- Security service fees

Type of fees	JDs
Review and approval of national airline security program	2500
Review and approval of foreign airlines security program.	500
Review and approval airport security program.	5000
Adopting any Air security program for investors other than airline companies.	300
Monitoring and implementation airport security programs (Audit, inspection, survey and testing).	20000
Review and approval any training security program.	400
Security licensing for the Regulated Air Cargo companies	1500
Renewal the security license of Regulated Air Cargo companies	200

Type of fees	JDs
Security licensing for the approved Regulated Air Mail companies	1000
Renewal the security license of the approved Regulated Air mail companies	100
Licensing aviation security training institute	3000
Renewal the license of the aviation security training institute	500

F- Economic regulation fees:

Type of fees	JDs
Issuance landing permit at Jordanian Civil Airports for non-scheduled flights per each landing.	20
Issuing permits for over flying Jordanian for non-scheduled flights against each crossing.	10
Acceptance the application for economic operating license and assessment fees (EOL), nonrefundable.	15000
Issuing economic operating license (EOL)	5000
The monthly pursuant fees for air carriers granted economic operating license (EOL)	The monthly following up charges are calculated on the basis of the following aggregate rates: 1- JD (0.0103) against each (1000) passengers per kilometer. 2- JD (0.0579) against each (1000) Tons per Kilometer.
Licensing scheduled air route.	15000
Renewal Licensing scheduled air route.	10000
Issuance or renewal practice license of freight forwarders services.	350

G- Air navigation service license fees

Fee type	JD
Air navigation services (ANS) application acceptance and assessment fees.	100000
Issuing or renewing certification for operating air navigation services (ANS).	250000
Issuing or renewal the license for air watchtower/one runway.	15000
Issuing or renewal the license for air watchtower/one runway.	25000
Issuing or renewing a license for air watchtower/ approaching	10000
Issuing or renewing the license for air watchtower/ two runways.	25000
Issuing or renewal a license for air watchtower/ Radar Area	150000
Issuing or renewing a license for air information section (AIS)	2000
Issuing or renewing a license for a fixed telephone network (AFTN)	5000
Issuing or renewing a license for auxiliary air navigation system- to each structure.	2500
Application acceptance and assessment fees for certification of a college, a school or a technical institute air navigation.	10000
Issuing or renewing certification college, school or technical institute/ air navigation.	5000
Studying the impact of air navigation obstacles.	200

Article 10:

- A- The entire set up fee or charge against issuing any of the authorization, license permit, certificate, confirmation and approval shall be collect and specified as a temporary license, if the temporary period for the license is equal or more than (50%) of the period specified for the permanent license.
